Dear Donna and Ross:

I would like to personally thank you on behalf of Green Festival for your invaluable contribution to the Green Festival DC event at the Walter E Washington Convention Center May 31 & June 1, 2014. This was our 10 year anniversary in the nation's capital and we are proud the event was a great success, due in part to your participation and the incredible programming element Team Green World brought to the Team Green World Family Fun Stage. Your organizations mission to provide *combined entertainment and education ("Eco-Edutainment")* was well met and exceeded the expectations of both Green Festival and most importantly our guests.

An estimated 20,000 people were in attendance, and the event showcased more than 270 exhibitors, sponsors, partners and supporting organizations – the most in the history of Green Festival DC.

We appreciate the time you took out of your busy schedules to join us and thank you for sharing the magic of your organization with our attendees - both children and adults. Your willingness to volunteer your time, energy and support on behalf of Green Festival is greatly appreciated.

Lastly, we applaud the courageous and important work you do every day to build a more sustainable, greener world, and we would be honored to have Team Green World join us at each of the Green Festival Fall Shows scheduled for: Los Angeles, September 12-14, 2014; Chicago, October 24-26 and San Francisco, November 14-16.

Thank you again for your support and I am hopeful for a favorable response.

Sincerely,

Robert J. Butler
National Program Director
